Publication of transfers of value to Recipients aims at reporting the values (monetary or in-kind) to HCPs/HCOs with which MSD collaborates or has a relationship, following the objectives and provisions including in the applicable national code. Individual disclosures have been consented to by individual Recipients – such consent has been given to allow compliance by MSD with the applicable national code. This publication does not grant a general permission for those accessing our website or the national platforms to undertake additional processing of the HCPs’ data. For a good understanding of the reporting included in our disclosure as published on this website, we refer viewers to the Methodology Statement that clarifies the meaning and content of the transfers of value reported.
